Thank You !

Welcome to the Living Energy Study Guide!

This Study Guide is designed to enhance your experience with the Living Energy seminar. Utilizing this Study Guide effectively will greatly increase the amount of information that you retain and be able to recall later on.

We STRONGLY recommend that you read the verses as they appear on the screen as there are usually reasons on why we chose that particular version. A list of the verses referenced is included – so you can always go back and check what your version says.

It is probably best to PAUSE the video while you're making notes so as to keep focused on the lesson. (In group settings, this may not be practical.)
If you can't (or choose not to) pause the video, we recommend that you write down the time stamp or approximate place in the video in the "Take A Closer Look" section, so that you can continue viewing with minimal distraction. You can then return to that particular part at a later time for further review.

The Living Energy seminar ***is not designed*** to be viewed all the way through with no breaks! It will benefit you to take your time with the chapters and to complete the study guide along with prayerfully considering the material that you've learned each session. Depending on your schedule, it could take several weeks (or longer) to go through all of the chapters methodically. Try to maintain a regular schedule or routine so that you stay on course.

This Study Guide is designed to provoke you to think deeper and contemplate the intent and messages of each chapter – it is a valuable tool to maximize your experience of Living Energy.

Each chapter will have the following sections, so you'll want to view them with these in mind:

STUDY GUIDE COMPONENTS

MAIN THEME

You will be asked to write a description that captures the essence of the main theme of the chapter. Wait until you're finished viewing the chapter until you complete this section.

EYE OPENING MOMENTS:

You are likely to learn at least one new aspect of studying the Bible in each chapter. This is the place to write that down areas that are new to you or have touched your heart or mind in a special way.

TAKE A CLOSER LOOK

In this section, make a note of the verses or points that you want to dive deeper into. It could be:

- something you heard that you want to examine closer;
- a section of scripture that wasn't mentioned that you want to take a fresh look at based on something you heard;
- something said or implied that you disagreed with that you'd like to examine more thoroughly;
- any issues that you want to revisit.

GENERAL NOTES

Here's a good place to write down anything you want that doesn't fit into any of the above categories, e.g. Something you might want to discuss with a friend or church leader, or to remember a point that might be relevant to a current situation as an individual or with your family or within your church.

HOW DID THIS CHAPTER RELATE TO STUDYING THE BIBLE?

Each chapter was included because it was relevant to learn how to study the Bible effectively. Some chapters, the reasons and application will be obvious, others may require some deeper analysis before the connection is clear.

WHAT ARE EXAMPLES THAT MAY BE EVIDENCED IN CHRISTIAN CIRCLES BY THE PRINCIPLE IN THIS CHAPTER NOT BEING APPLIED?

After viewing each chapter, making notes and contemplating the lesson, this section is designed to help viewers consider what consequences could affect the Body of Christ if the principle taught was not applied. Responses to this could include actual examples (if known) or kept hypothetical. Remember to not be "critical" but rather to consider how a group or denomination could benefit by rightly dividing the Word of God.

POINTS TO PONDER

This section is designed to reinforce main points as well as to encourage deeper thinking about some areas that were only touched on or referred to.

SCRIPTURE REFERENCES

We've included a list of verses with the version used by chapter. There were two reasons why we used numerous references throughout the seminar: The first is that different versions capture the essence of the Greek or Hebrew better than others at times. The other reason is that most of the modern versions are copyrighted and only allow for a certain number of verses from their version to be used in any one work, e.g. Living Energy.

SUMMARY & CONCLUSION

While there are very few doctrinal statements made – there ***are*** some – and those that are presented are only done so in light of being necessary to understand how to read and study effectively. If your personal beliefs are challenged or contradicted we recommend that you make a note of it for further study rather than get distracted.

Remember that the one of the main goals of Living Energy is to UNITE the body of Christ by providing some of the "ground rules" that people of different backgrounds can use to rightly divide scripture and to reason together using logic and grammatically honest skills. Always remember,

"Now the end of the commandment is charity out of a pure heart, and of a good conscience, and of faith unfeigned…"

I Timothy 1:5 King James Version

Chapter Title: **Overview**

EYE OPENING MOMENTS

TAKE A CLOSER LOOK

General Notes:

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

- 2 Peter 1:20 states: "*But know this first of all, that no prophecy of Scripture is* a matter *of one's own interpretation*" – NASB If everyone isn't supposed to interpret it for themselves, what's the alternative?

- 2 Timothy 2:15 states: *"Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."* – KJV What does the word "Study" actually mean? What does "rightly dividing" mean?

- Ecclesiastes 10:10 states: "*If the ax is dull, And one does not sharpen the edge, Then he must use more strength; But wisdom brings success.*" - NKJV How does this verse relate to studying the Bible?

Chapter Title: **Gym Analogy**

EYE OPENING MOMENTS

TAKE A CLOSER LOOK

General Notes:

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

- Based on the analogy, how are gym members similar to church members?
- 1 Timothy 4:7-8 states: *But reject profane and old wives' fables, and **exercise** yourself toward godliness. For bodily **exercise** profits a little, but godliness is profitable for all things, having promise of the life that now is and of that which is to come.* NKJV (***emphasis added***)

  Here, the word "exercise" in the Greek is "gumnaze" (v.7) and "gumnasia" (v.8) from which we get the English words, "gymnastics" and "gymnasium". In thinking about how athletes train – *e.g.* sleeping schedules, dietary requirements, exercise routines, etc. – how should that affect our study habits and practices of the Christian disciplines?
- "Other things" to "add" could include: Sharing our faith, praying, giving, fellowship with other believers…

Chapter Title: **Details, Details, Details**

EYE OPENING MOMENTS

TAKE A CLOSER LOOK

General Notes:

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

- In Matthew 23:24, Jesus states: "*You blind guides! You strain out a gnat but swallow a camel*." - NIV

  Read the context of this verse and consider how it relates to your life.

- 2 Timothy 2:14b states: "*Warn them before God against quarreling about words; it is of no value, and only ruins those who listen*." – NIV Read the context and consider: Does this apply studying the Bible and debating biblical issues, or is something else being addressed?
- It's commonly believed that Moses was floated down the Nile river in a basket and luckily plucked out by Pharaoh's daughter. Read Exodus 2:1 – 10 and answer the following:
  - Was the basket Moses was in drifting in the river?
  - Who nursed Moses?
  - Who raised Moses during his infancy?

Chapter Title: **The Devil Is Into Details**

EYE OPENING MOMENTS

TAKE A CLOSER LOOK

General Notes:

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

- What word(s) did Eve add to God's command?
- What word(s) did Eve leave out from God's command?
- What word(s) did Eve change from God's command?
- Where was Adam during all this?
- When we forget about God's abundant provision for us, add commands and requirements that aren't from the Word of God, and water down God's emphatic, definitive statements, how does that affect our faith?
- How do those same things affect our "walk" – i.e. how we live our lives for Christ?

Chapter Title: **Truth or Consequences**

EYE OPENING MOMENTS

TAKE A CLOSER LOOK

General Notes:

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

- What were the immediate consequences of Adam and Eve's disobedience?
    - The long term consequences?
- If God said that they would "surely die" – why didn't they?
- From the time of the fall to the time of the resurrection what was mankind living under?
- What was the common phrase that Jesus used each time he was tempted by the devil in Matthew 4? If we faced every temptation with the same phrase, how would that affect our lives?
- As recorded in Luke 4:14 – 21, why was the place where Jesus stopped reading in Isaiah 61 extremely relevant and representative of the importance of rightly dividing God's Word?

Chapter Title: **Bible Facts – Part One**

EYE OPENING MOMENTS

TAKE A CLOSER LOOK

General Notes:

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

- The terms “major prophets” and “minor prophets” are used to distinguish the longer Old Testament prophetic writings (e.g. Isaiah, Jeremiah, Ezekiel) from the shorter ones (e.g. Jonah, Micah, Amos) However, the Bible never addresses them as such, and because they tend to imply a greater level of importance (“major” versus “minor”) those terms are not necessary.
- What are some of the criteria used to determine the “canon” of scripture?
- With the scriptures being written over such a long period of time and by so many different writers, does that add or detract to it’s credibility? Why?
- 2 Peter 1:3 His divine power has given us everything we need for life and godliness through our knowledge of him who called us by his own glory and goodness.

Chapter Title: **Bible Facts – Part Two**

EYE OPENING MOMENTS

TAKE A CLOSER LOOK

General Notes:

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

- Would someone from a thousand years ago have a valid point if he or she stated that the scriptures they had were not trustworthy because the Bible has been copied & recopied, translated from foreign languages and possibly mistranslated (either intentionally or unintentionally)?
- Is that same argument valid today?
    - Why or why not?
- While we don't attribute many of the differences between modern "versions" to "political" influences, the doctrinal beliefs of the translators do affect how they rendered certain words and phrases.

Chapter Title: **God Breathed Word**

EYE OPENING MOMENTS

TAKE A CLOSER LOOK

General Notes:

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

- 2 Peter 1:21 states that "…holy men of God spake as they were moved by the Holy (Spirit).." This accounts for how God can be the "author" yet there be a difference in vocabulary and writing styles between the different "books" that make up the Bible.

- To say that the Bible is the "Word of God" simply because it says so IS "circular reasoning" – and is not a convincing argument for critics.
    - Blind faith is believing what others tell us to believe;
    - BIBLICAL faith comes from "hearing" (Rom 10:17)
        - Read Romans 10:18 – 21

- God wants us to PROVE what is His "good and acceptable and perfect will"
    - Prove = dokimazo (Greek) means "put to the test"

Chapter Title: **There's Gold!**

EYE OPENING MOMENTS

TAKE A CLOSER LOOK

General Notes:

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

The Word of God should be an EXCITING adventure! If you "use your tools and follow the rules" you'll be safe.

Many Christians get concerned when they start seeing new and exciting things in the Bible. If what you're finding is a radical departure from commonly accepted beliefs, proceed with caution – BUT PROCEED! Tradition HAS crept back into "the church" and people need to explore God's Word fearlessly.

There needs to be a forum for healthy discussion and debate – comparing scripture with scripture. Well meaning Christians will often try to label your studies with the names of others who in the past came to the same conclusions. However, if you've studied the Word, and not other peoples works, then you don't have to "wear" those "labels"

Chapter Title: **What's NOT the Good Word?**

EYE OPENING MOMENTS

TAKE A CLOSER LOOK

General Notes:

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

- Things that weren't in the "original" texts:
    - Table of Contents
    - Maps
    - Footnotes (although, if a footnote is the more accurate translation that would be the "Word")
    - Chapters (numbering system)
    - Chapter Headings (the brief descriptions)
    - Verse numbers
    - Punctuation
    - Pictures

In the Hebrew, there were no vowels – which is why there has been "disputes" over how "YHWH" should be pronounced. However, most leading scholars agree that "Yahweh" (Yah-way) is probably accurate. Interestingly, many modern Jews and some Christians feel that God's name shouldn't be spoken or even written. However, YHWH is used approx. ***5,000 times*** in the Old Testament, and we are to pray and sing praises to YHWH !

Chapter Title: **Spirit Doesn't Replace The Word**

EYE OPENING MOMENTS

TAKE A CLOSER LOOK

General Notes:

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

- ***1 Cor 2:12*** *Now we have received, not the spirit of the world, but the Spirit who is from God, that we might know the things that have been freely given to us by God.* ***NKJV***

- Where do we find "the things that have been freely given to us by God" ? : ***2 Peter 1:3-4*** *His divine power has given us everything we need for life and godliness through our knowledge of him who called us by his own glory and goodness.* - NIV

- *John 14:26-27 But the Counselor, the Holy Spirit, whom the Father will send in my name, will teach you all things and will remind you of everything I have said to you.* NIV
- To be "reminded" you have to know it first!

Chapter Title: **To Know Him Is To Love Him**

EYE OPENING MOMENTS

TAKE A CLOSER LOOK

General Notes:

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

- In the "greatest commandment", Jesus stated that our "mind" is involved in loving God. Mind = dianoia (Greek) = thinking through, or"deep thought.
- READ Isaiah 55: 6-12 God is addressing the wicked when He says, ***"For my thoughts are not your thoughts,neither are your ways my ways,"*** NIV
- But He then compares His Word to the "rain" and "snow" which come down from "heaven", like his Word, so that they (the wicked) could know His thoughts and His ways.
- These verses in Isaiah are often quoted to make God seem unknowable, yet – in context – it's the exact opposite. God gave us His Word – both the written Word and the Living Word, Jesus Christ, so that we COULD know Him.

Chapter Title: **Know The Author**

General Notes:

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

- ***"…God is love"*** - 1 John 3:8
- ***"…God is light, in Him there is no darkness at all"*** - 1 John 1:5
- ***"Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows."*** James 1:17 NIV
- God's concept of "good" must be consistent with ours – or else words mean nothing, and reading the Bible would be pointless. The same applies for moral concepts of "light" and "darkness".
- ***"Woe to those who call evil good and good evil, who put darkness for light and light for darkness…"*** - Isaiah 5:20a NIV

Chapter Title: **Church History**

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

In Acts, Steven was killed by the religious leaders of his day, with the secular authorities turning a blind eye. Within a few hundred years, persecution shifted from being committed **against** the church to being committed ***by*** the church. No one can deny that the Greek culture had an influence upon the church, and it is worthy of our time to examine this period of history. Fighting (both verbal and physical often resulting in death) amongst various Christian factions was commonplace. Many of todays commonly accepted doctrines have their roots from this turbulent period of Church history – but that doesn't affirm or deny the accuracy of these doctrines. This is the reason that inductive study is so necessary.

"Sola Scriptura" (Latin) "by scriptures alone" is a worthy goal and the basis for inductive bible study. However, this requires bypassing the ecumenical councils of these tumultuous periods and using their recorded debates and decrees for reference and insight only – not as a pre-determined conclusion.

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

Now the Bereans were of more noble character than the Thessalonians, for they received the message with great eagerness and examined the Scriptures every day to see if what Paul said was true. - Acts 17:11 NIV

"You have let go of the commands of God and are holding on to the traditions of men." **- Jesus,** Mark 7:8 NIV

"Thus you nullify the word of God by your tradition that you have handed down. And you do many things like that." – **Jesus**, Mark 7:13 NIV

Nullify: akuroo (Greek)
to render void, deprive of force and authority

Traditions are generally misconceptions of what scripture says, then gets accepted as truth. Traditions can also be religious practices that aren't required by scripture, yet become accepted as necessary or vital.

General Notes:

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

- The term "grassroots" is employed here metaphorically to draw attention to reality that many Christians don't have the deep roots in scripture that are necessary to bear fruit and endure the storms of life, as well as the drought.

- It is essential to study the parable of the Sower & The Seed (or, as some have called, the parable of the Good Soil.)
    - Troubles / Pressure
    - Persecution
    - Worries / Anxieties
    - Deceitfulness of wealth

  Are all things that can prevent us from growing deep roots.
- Jeremiah 17:7-8 says we're to be like trees planted by the water – that has no worries in a year of drought and never fails to bear fruit.

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

- Spiritual pressure:
  - Anxieties
  - Temptations
  - Distractitons
  - Persecutions

  all tend to increase during times of growth &/or breakthrough. We need to persevere through those times:

Hebrews 10:36 ***"For you have need of endurance, so that after you have done the will of God, you may receive the promise"*** New King James Version

- Jesus (to Peter), ***"…are you asleep? Could you not keep watch for one hour?"*** Do you ever:
  - Pray
  - Study
  - Share your faith with others

  for one hour? Especially in today's culture, it takes discipline to build endurance to do so.

Chapter Title: **Manners & Customs**

General Notes:

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

- There are many great books on Manners & Customs available, and several are listed on our Recommended Reading List (See http://www.LivingEnergySeminar.com)
- Because the culture varies so widely between the time the scriptures were first beginning to be written (approx 1,500 b.c.) until now, it can be difficult to recognize when certain passages contain references that are better understood through the “eastern mind”. Therefore, reading books on Manners & Customs to supplement your biblical studies is strongly recommended.
- Manners & Customs can apply to traditional practices at the time the particular passage was written, but can also relate to grammatical phrases or vernacular that was unique to that period of time.

Chapter Title: **Words & Phrases To Look For**

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

- While it is important to pay close attention to Words and Phrases to look for, remember that one of the major premises of the Living Energy seminar is that EVERY word within the Word is important!
- This chapter is designed to help you to train your mind to identify how certain words may change the flow of a passage or how a particular message is being emphasized.
- For example, Paul uses the phrase “first of all” several times, at least three of which are about things that he wanted to emphasize to the church as being very important.
- Look for Words and Phrases that affect:
    - Timing
    - Emphasis
    - Conditional Statements
    - Contrast
    - Connecting or Joining of subjects

Chapter Title: **Figures of Speech**

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

Because God chose to reveal Himself through the written Word, He utilizes hundreds of different types of Figures of Speech to emphasize and illustrate His message.

E. W. Bullinger's work, "Figures of Speech Used In The Bible" is by far the most comprehensive work on the subject.

Because we are probably not familiar with the vast majority of figures of speech that God employs, we should take some of our study time to learn as many as possible so that we can begin to recognize them.

Remember that the first great commandment includes, "Love the Lord your God with all your heart, soul, MIND and strength" (emphasis added). Our minds should be fully engaged in our love and worship of God as well as in our study of His Word.

Chapter Title: **Scope of Scripture Part ONE**

EYE OPENING MOMENTS

TAKE A CLOSER LOOK

General Notes:

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

The question is posed to believers, "If God is all loving, all knowing and all powerful, why do bad things happen?" They point to Job, however, Job is a great illustration that because of God being "all knowing" He chose not to exert His "all power":

"God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it." - 1 Corinthians 10:13 KJV

Job was restored with DOUBLE all of his earthly goods, but only the same number of children, pointing directly to the resurrection where he will spend all eternity with all twenty of his children.

For the Bible to make sense, we need to know the end of the story – that paradise will be restored, and judgments and rewards will be administered righteously.

Chapter Title: **Scope of Scripture Part TWO**

General Notes:

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

Before the fall of man, God saw everything He had made and called it "very good" in Genesis 1:31. In Revelation, we see Paradise restored. During the period in between, it states in Romans that the creation itself is "in bondage to decay", and that the whole creation is "groaning as in the pains of childbirth". When doctrines are formed trying to make "sense" out of this life without including the end of the story, when judgment and rewards will be dispensed, it's a recipe for disaster.

1 John 5:19: We know that we are the children of God, and that the whole world is under the control of the evil one.

While the Greek literally reads, "the whole world lies in evil" or "the evil one", the meaning is the same. The present world is not fair, loving or kind – especially for those who don't know Christ.

Yet when Christians try to make everything seem "good" or that it will work together for good, they can inadvertently

"Woe to those who call evil good and good evil" Isaiah 5;20a

How did this chapter relate to studying the Bible?

What consequences might be experienced in Christian circles if the principle(s) in this chapter are not applied:

Main Theme

- In your own words, briefly describe the key purpose(s) of this chapter:

Points to Ponder

In the parable of the "tares" (weeds), Jesus illustrates how evil people will be allow to co-exist with the righteous until "the end", when he will separate the wheat, and gather the tares (weeds) to be burned.

If God were to wipe out evil every time somebody did evil, how long would life last on earth? Would you and I still be here?

"…the Lord is…longsuffering toward us, not willing that any should perish, but that all should come to repentance."

\- 2 Peter 3:9

In Matthew 25 (verses 31-35) Jesus uses another analogy:
"…He will separate them one from another, as a shepherd divides his sheep from the goats"

The concept is clear – evil is in the world, but there will be a final judgment where the unrepentant will be cast into the lake of fire, which in itself is evidence that judgment and justice are not being dispensed in this life. If we try to make **this life** the "be all and end all" without including the end of the story, the Bible won't make sense and our doctrines and conclusions will be erroneous.

Points to Ponder

It's important to recognize that God didn't "create Satan" or the devil. Lucifer had free will, and was cast out of heaven for wanting to usurp the throne of God.

Fortunately, God knew the troubles that would befall the world, and He had the solution before He created anything!

"…Christ, a lamb without blemish or defect. He was chosen <u>before the creation of the world</u>, but was revealed in these last times for your sake." 1 Peter 1:20 NIV, emphasis added

Likewise, God knew that He would have a family that would be legally redeemed and will live with Him forever:

"Praise be to the God and Father of our Lord Jesus Christ, who has blessed us in the heavenly realms with every spiritual blessing in Christ. <u>For he chose us in him before the creation of the world</u> to be holy and blameless in his sight." - Ephesians 1:3,4 NIV Emphasis added

It's clear that the dietary laws changed:

- Adam & Eve before the fall
- Adam & Eve after the fall
- Until the time of Noah
- From Noah until Moses
- From Moses until the crucifixion

This emphasizes the need to discern "where" we are in the Bible, and to whom those passages are addressed. The original scriptures are all the "God-breathed" Word, but different laws and rules apply at different times.

Regarding forgiveness, BEFORE the cross it was clearly conditional:

"Forgive, and you will be forgiven" – Luke 6:37b

AFTER the cross forgiveness is given to us in Christ and is clearly not conditional:

"Forgive as the Lord forgave you" - Colossians 3:13b

Much of the confusion that arises when people are reading the Bible, comes from not understanding "to whom" that section was written. If you don't know which parts of the scriptures are written specifically to "the church" you won't recognize when you're in a section that's not written to you.

The argument is not accurately framed when people say that it's elevating the words of Paul above the words of Jesus. Almost all of the Paul's epistles start with:

"…from God the Father and the Lord Jesus Christ…"

In Galatians1:12, Paul states it most emphatically:

"I did not receive it from any man, nor was I taught it; rather, I received it by revelation from Jesus Christ" - NIV

So we need to discern whether it is the words of Jesus in the gospels, before the cross and before He redeemed mankind, whose words were recorded by Matthew, Mark, Luke and John, or the words of Jesus, spoken from heaven, to the redeemed church, whose words were written down by the Apostle Paul.

"For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled." - Jesus, Matthew 5:18

Has all been fulfilled? Absolutely. In Romans 3:20-24 we read:

Therefore no one will be declared righteous in his sight by observing the law; rather, through the law we become conscious of sin. But now a righteousness from God, apart from law, has been made known… This righteousness from God comes through faith in Jesus Christ to all who believe… for all have sinned and fall short of the glory of God, and are justified freely by his grace through the redemption that came by Christ Jesus. - NIV

We need to remember that James 2:10 tells us:

"For whoever keeps the whole law and yet stumbles at just one point is guilty of breaking all of it." - NIV

Fortunately, we see in Romans 6:14 (NIV):

"…you are not under law, but under grace"

- Mystery: musterion (Greek) = "secret"
- What was the "secret"? Ephesians 3:6 (NIV) tells us:
  "This mystery is that through the gospel the Gentiles are heirs together with Israel, members together of one body, and sharers together in the promise in Christ Jesus."
- Look at an amazing benefit of the mystery:
  Ephesians 3:12:
  "In him and through faith in him we may approach God with freedom and confidence." NIV
- Under the law, only the high priest was allowed into the presence of God, and that only happened once a year (Hebrews 9:7), whereas now we are "filled with the fullness of God"! (Ephesians 3:19)

We need to invite people into the Body of Christ!

The differences in the vocabulary used to describe the Old Covenant versus the New Covenant are quite dramatic:

Old:

- "dead in (your) transgressions"
- "ministration of death"
- "ministry of condemnation"
- "glory was fading away"

New:

- "alive with Christ"
- "God's abundant provision of grace"
- "reign in life"
- "more than conquerors"
- "glory that will never fade away"

The law was still in full effect until his death on the cross, resurrection and ascension to "the right hand of God." While we need to remember that when Jesus was on earth he was speaking (usually) to the Jews, or to the Gentiles, his words were often timeless and contained wisdom.

Note that Hebrews 12:2-4 (NIV) points us to Jesus' life on earth to give us encouragement to follow his example:

Let us fix our eyes on Jesus, the author and perfecter of our faith, who for the joy set before him endured the cross, scorning its shame, and sat down at the right hand of the throne of God. Consider him who endured such opposition from sinful men, so that you will not grow weary and lose heart. In your struggle against sin, you have not yet resisted to the point of shedding your blood.

There are claims that because it was called a "mystery" or a "secret", even Jesus didn't know about the administration of grace that he was ushering in. However, while we know from scripture that Jesus was not omniscient on earth (Matthew 24:36), he surely knew everything that was revealed in the Old Testament. He also demonstrated a foreknowledge of some aspect of the "secret" by correctly stopping after "…to proclaim the year of the Lord's favor" (Luke 4:19, quoting from Isaiah 61) and before "…the day of vengeance of our God".

In Ephesians 3:4a, 5 (NIV) the Apostle Paul refers to his :
"… insight into the mystery of Christ, which was not made known to men in other generations as it has now been revealed by the Spirit to God's holy apostles and prophets."

The phrase, "as it has now been revealed" implies that something was 'knowable' beforehand, but that Paul had received additional inspiration.

There should be times when we are reading that we might notice an apparent contradiction in the Bible. Instead of dismissing it, or worse, accepting it, it should spark our desire to dig deeper. When digging a hole, if your shovel "clanks" something, you have the choice to either dig somewhere else, where it's easier, or to explore what you "hit". Likewise when studying the Bible, the verses that we DON'T understand - or that confuse us or seem to be contradictory – should be the place where we begin digging deeper. Are there figures of speech that are rendering the verse confusing? Perhaps manners and customs peculiar to that particular time that have us perplexed? Has the Greek or Hebrew been accurately translated? Here in Acts when we see that Paul was told "through the spirit" not to go to Jerusalem, and he was warned in "every city" about the dangers that awaited him, we can see that he was indeed "bound by the spirit" not to go, not "compelled by the spirit" to go.

Concordances and Word Study materials are excellent resources that will help you trace where words have been used before.

Remember to check synonyms (different words that mean the same thing), as well as words that are simply "similar". For instance, if you wanted to study "marriage" you may want to look up the words:

Marry	Marriage	Betrothed	Wife
Husband	Engaged	Divorce	Separate

Some instances of these words may not help your study, others might, but it's worth your time to check.

In this chapter, we found what Paul's "thorn in the flesh" was with a high degree of certainty. It took checking where the phrase had been used before. Remember that we're to be "workmen of the word". God will richly reward you as you study His word faithfully and "exert a diligent effort" as 2nd Timothy 2:15 exhorts us to.

The subject of material giving is usually a sensitive one even among the most devout Christians. While this chapter focused on Ananias and Sapphira, and who or what killed them, there's a great message being overlooked. Acts 4:32-35, in the NIV:

All the believers were one in heart and mind. No one claimed that any of his possessions was his own, but they shared everything they had. With great power the apostles continued to testify to the resurrection of the Lord Jesus, and much grace was upon them all. There were no needy persons among them. For from time to time those who owned lands or houses sold them, brought the money from the sales and put it at the apostles' feet, and it was distributed to anyone as he had need.

In Matthew, the two "robbers" who were crucified with Jesus "***also heaped insults on him***" Likewise in Mark 15:32: "***Those crucified with him also heaped insults on him***" But in Luke 23:40,41: "***But the other answering rebuked him, saying, Dost not thou fear God, seeing thou art in the same condemnation? And we indeed justly; for we receive the due reward of our deeds: but this man hath done nothing amiss."***

Review the timing aspect by reading ALL of the accounts in detail.

In John 19:18, in the Greek, the word "one" doesn't appear - and reads, "Where him they crucified, **and with him two on either side**, and Jesus in the midst" (emph. added)

John 19:18 "…Jesus in the midst" = meson (Greek) – plural, vs. "between" = metaxu (Greek) – singular (see Acts12:6)

John 19:32-33 ***"...Then came the soldiers, and brake the legs of the first, and of the other which was crucified with him...But when they came to Jesus, and saw that he was dead already, they brake not his legs…"*** - KJV

Everyone starts life as a baby, and needs milk – but we're supposed to go on to maturity – and that requires meat!

"But solid food is for the mature, who by constant use have trained themselves to distinguish good from evil."
Implicit is to "choose the good".

Godly leaders are supposed to help us to mature. See ***Ephesians 4:11-16***

I Corinthians 3:1-4 (NIV): ***Brothers, I could not address you as spiritual but as worldly — mere infants in Christ. I gave you milk, not solid food, for you were not yet ready for it. Indeed, you are still not ready. You are still worldly. For since there is jealousy and quarreling among you, are you not worldly? Are you not acting like mere men? For when one says, "I follow Paul," and another, "I follow Apollos," are you not mere men?***

Here we see that when our identity is with who we're following or what denomination we're in, we won't qualify for the getting to the solid food (i.e. meat). Our identity must be in Christ.

From lifeless rock and distilled water it's impossible to grow mold, let alone all of the beauty of nature and life that we see abundantly inhabiting our planet.

While species can "evolve", scripture declares from the beginning "everything after it's kind". While the fossil records show dinosaurs (and the Bible refers to great beasts that were often mocked for being "mythical") there aren't millions of transitional species that we would expect to find if any of the common theories of evolution were true.

If species took "millions of years" to develop their defenses, how did they survive until they achieved them? Even some flowers have such specific shapes, colors and scents that they couldn't have survived without those characteristics.

Romans 1:20 (NIV) ***For since the creation of the world God's invisible qualities — his eternal power and divine nature — have been clearly seen, being understood from what has been made, so that men are without excuse.***

Christianity has a history of in-fighting especially over doctrine. However the other extreme, "not discussing religion" can be equally discouraging. Believers need to learn how to discuss and debate the scriptures with love and logic.

Protestantism is renowned for "splitting" into separate churches – sometimes over minor discrepancies. While it is great to fellowship with people who share like beliefs, we should always strive to "***Make every effort to keep the unity of the Spirit through the bond of peace."*** Ephesians 4:3 (NIV)

Healthy debate involves active listening, patience and reason: ***Everyone should be quick to listen, slow to speak and slow to become angry, for man's anger does not bring about the righteous life that God desires.*** James 1:19-21 (NIV)
